Pensioners of the integrated States.

GOVT. OF BOMBAY.

POLITICAL AND SERVICES DEPARTMENT.

Resolution No. 2735/46

Bombay Castle, 3rd December 1948.

Read Government Resolution, Political and Services Deaprtment, No. 2735/46 dated the 7th October 1948.

RESOLUTION.- It appears that there is some confusion about interpreatation of the orders regarding payment of pensions sanctioned by State authorities prior to merger or intergration of the State concerned with this Province. The principle to be followed is that these pensions should be paid in full if they satisfy two conditions, viz. (i) that they were sanctioned prior to the integration of the State with the Province and (ii) that they were sanctioned prior by the authority of the State competent to sanction them . However, exceptions to this principle are to be made in cases where the pension is flagrantly in excess of what would be normally admissible and it has been sanctioned with the possibility of the merger or integration in mind. In such cases the pension should be reduced to a suitable amount not exceeding three fourths of the average salary counting towards pension.

2. The cases in which pension sanctioned by the Ruler is proposed to be reduced in accordance with these orders should be sumitted to Government for confimation, along with full deatails thereof.

By order of the Governor of Bombay,

M.D.BHATT,

Chief Secretary to the Government of B'bay,

Political and Services Department.
